

# GEOGRAPHY LEARNING JOURNEY

Final GCSE exams

Revision and Exams

Resource management

Changing economic world

Urban challenges

Natural hazards

The living world

UK physical landscapes

YEAR 11

YEAR 10

Middle East

Rivers

Climate change

Globalisation

Tectonics

YEAR 9

YEAR 8

Ecosystems

Population

Weather & climate

Asia

Coasts

YEAR 7

Resources

Africa

Development

My place in the world

Sustainable futures  
Electricity  
Rocks  
Challenging stereotypes  
Earth's spheres  
Oil  
Life in a shanty towns  
Biomes of Africa  
What is Africa like?

Animal extinction  
Rainforest structure  
Food webs  
Ageing populations  
China 1 child policy  
Measuring development  
HIC's & LIC's  
Poverty  
What is development?

Population growth  
Population pyramids  
Migration  
What is weather?  
Measuring the weather  
UK's weather  
Weather diaries  
UK's weather  
Direction  
Latitude & Longitude  
Oceans  
Fieldwork investigation  
Map work

Asia's economy  
Urbanisation  
Weathering  
Global economy  
Economics of chocolate  
Coping with change  
Water cycle  
Flooding  
Location  
Diversity  
UAE  
Conflict  
Yemen  
Economics  
Fluvial processes  
Desertification, caused and consequence  
Coastal landforms & management  
Erosion  
The Holderness Coast  
Effects of change  
Sweatshops  
UK trade  
Economic sectors  
Preparing for the big one  
Plate tectonics  
Structure of the Earth  
Volcanoes

Solutions  
Pollution  
Traffic  
Squatter settlements  
UK cities

DTM  
River management  
River profiles  
River landforms  
River management  
River profiles  
River landforms

DTM  
River management
